# The Cornell, Maryland, Max Planck Pre-doctoral Research School 2020

CERTIFICATE

___

This is to certify that

Laura Zheng

has successfully completed the *Cornell, Maryland, Max Planck Pre-doctoral Research School 2020* hosted <u>virtually</u> at the Max Planck Institute for Software Systems in Saarbrücken, Germany, August 3-9, 2020.

The student attended lectures with faculty from participating institutions on a variety of cutting-edge topics in computer science, including databases and data analysis, distributed systems, security and privacy, Internet measurement and network architecture, large-scale machine learning, and theory of deep learning.

_____

Adish Singla
Faculty
Max Planck Institute for Software Systems

_____

Bobby Bhattacharjee
Professor
University of Maryland, College Park

_____

Lorenzo Alvisi
Tisch University Professor
Cornell University

_____

Peter Druschel
Scientific Director
Max Planck Institute for Software Systems
